Testimonial letter for Dawn Shipping(Thailand) Co.,Ltd

Thank you for your assistance in helping us import the Encore pontoon boat. We thought that it was going to be much harder than it ended up being. You went above and beyond the call of duty making sure they were shipped properly, arrived on time and had no damage. It was a huge relief when they arrived in perfect condition. The shipping service that you provide far exceeded our expectations.

Very important to say Mr. Robin Loh and Khun Kwang are very willing and kind persons our pleasure to work with them.
