Testimonial letter for Dawn Shipping (Thailand) Co., Ltd.

The Mogyi Asia Co., Ltd. is full satisfied to have used Dawn Shipping (Thailand) as our logistics service provider as they provide very good service for us. Dawn Shipping has been very detailed in explaining to us the process of clearance and especially when we met up with some problems, they will not hesitate to go the extra mile for us. I can say their service is value for money. Also very important to say, Mr. Robin Loh and Kuhn Kwang are very willing and kind persons our pleasure to work with them.

Best Regards,
